

# Work with greater ease and value.

---

## WORK EZ Box Blades

### RUGGED BOX BLADES MEET ANY CHALLENGE.

New Work EZ box blades are perfect tools for fast and efficient leveling, grading, scraping and backfilling – all at an economical price.

Available in eight models featuring 4' to 8' working widths, Work EZ box blades fill in low spots and bring the surface close to grade, making them ideal for all kinds of tough applications – whether around an estate or on a construction jobsite. Up to eight tempered scarifier shanks add superior strength and durability for breaking up hard ground.

As with all Work EZ implements, box blades are designed for use with any brand, model or year of compact or utility tractor (from 30 to 100 hp, depending on box blade model) equipped with a three-point hitch. Add a Work EZ box blade to your tractor and meet any challenge head on.

### Work EZ Box Blades –

- complement your tractor's horsepower and performance
- offer excellent value
- are backed by the full support of your New Holland dealer

Economically priced Work EZ implements include nearly every piece of equipment you need to work with ease and value around your property or jobsite. From box blades to rakes and discs, Work EZ implements are backed by the parts and service expertise of your New Holland dealer.

**Work with Ease and Value:** No matter what make, model or year of compact or utility tractor you work with, if it has a three-point hitch, there's an economical Work EZ implement ready to help you do more – for less.
