**NOW AVAILABLE IN NORTH AMERICA:
CR9090 - 591 HP - LARGEST COMBINE IN THE WORLD**

Put the largest combine in the world to work in your operation and set your own harvesting record. The NEW CR9090 Twin Rotor® combine from New Holland holds the world record for the most grain harvested. This record-setting performance results from the exclusive Twin Rotor® design and New Holland's faster separation, superior grain quality, larger capacity and more efficient operation. Add the 24/7 support of exclusive New Holland Top Service™ and it's clear why New Holland is the world leader in combines.

INTELLICRUISE™ SYSTEM — MAINTAIN FULL CAPACITY ALL DAY

OPTI-CLEAN™ SYSTEM — INCREASED AIR FLOW FOR GREATER CLEANING CAPACITY

OPTI-SPREAD™ RESIDUE MANAGEMENT SYSTEM — PRECISE RESIDUE CONTROL

PROTECT MORE ACRES PER HOUR

New Guardian™ sprayers from New Holland allow you to take full control of your spraying schedule. With the industry's highest horsepower, largest tank size, smoothest suspension, highest ground clearance and tightest turning radius, Guardian sprayers quickly protect more of your acres per hour for maximum productivity.
